

15th October 2018

Dear Parent/Carer

At Cecil Jones we are committed to safeguarding our students whilst they are in the Academy but also when they are off-site. This includes educating our students on how they can keep themselves safe.

I would like to take this opportunity to remind all parents/carers that there is a safeguarding webpage on the Cecil Jones Academy website:

<http://www.ceciljonesacademy.org.uk/parents/safeguarding>

We are delighted to inform you that to further support safeguarding at the Academy, your child will be given the opportunity to watch an educational performance delivered by Stonewall Education, a national charity promoting teenage awareness around relationships and keeping safe.

This will be the 4th year that the excellent 'Prince Charming' Theatre Forum production has been funded by Public Health to come into Southend schools.

Please be aware that the performance is suitable for Year 8 students and will form part of their PSHE education. The event will take place on the first Monday back following the half term break during period 1.

If you have any questions regarding the above, please do not hesitate to contact the academy.

Yours faithfully

Mr K Ryan
