Dear Stakeholder

Re: Formal Consultation for Increasing Admission Number for 2019/20

On behalf of the Governing Body and in accordance with the requirements of the Department for Education and the Regional School Commissioner, I write to inform you of the proposed changes to the Academy's admission numbers for September 2019/20.

In response to increasing pupil numbers within the Borough of Southend, Cecil Jones Academy is supporting the Local Authority in its provision of places at secondary level by admitting an additional 20 students each year from 2019/20. Therefore, the P.A.N. (Planned Admission Number) will increase to 220. The Local Authority has agreed that Capital Funding would be available to support this proposal.

The above only relates to an increase in numbers and will have no effect on our current admissions criteria.

The consultation process is being carried out for a period of 4 weeks. Any comments or observations will need to be made in writing before 5th October 2017.

Yours faithfully

Mrs B Williams
CEO of Legra Academy Trust
